

What is Young Life?

Young Life is a world-class ministry for adolescents. Our staff and volunteers enter the world of kids, focusing on what matters to them — fun, adventure, friendship and a sense of significance. In doing so, we earn the privilege of talking to them about something that we think matters most of all — the truth about Jesus Christ.

- Young Life was founded in 1941 by a pastor who wanted to spend time with kids who were disinterested in church.
- Young Life exists in 54 countries and is supported by 4,000 staff members, more than 14,000 volunteer leaders and 12,000 local committee members.
- Young Life is non-denominational & is supported by churches & individuals of all major denominations.
- Young Life areas are supported financially by the communities that invite our presence; each area raises its own budget
